

English Portuguese Bilingual Titles

This is a collection of books with two languages sharing the page. Smokley Educational Imports was started in the hope of solving a problem for the Brazilian community. And the schools that teach their children. Reading to young children is an important part of raising a good student, and success at school brings success at life. Materials in Portuguese are hard to find and scant. This is the problem I am trying to solve.

I am pleased to be able to finally say yes when an educator asks me if I have anything in Portuguese. And, look forward to working with you, and having my catalog grow.

Victor D.O. Santos

is a Brazilian author living in Iowa. He has lived in Germany and The Netherlands, and now is a linguistics professor. He has been writing children's books since his son, Dylan, was small.

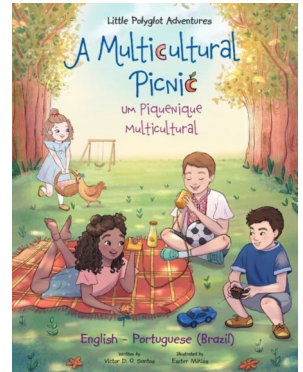

His newest book, What Makes Us Human, has won many awards, and is on the UNESCO International Decade of Indigenous Languages and Eerdmans Books for Young Readers,

A Multicultural Picnic

Dylan and Isabella, the polyglot siblings, have special guests in town: the grandparents. To celebrate their arrival from abroad, the family decides to have a picnic at the park. Things get a bit out of control when the children meet a group of unwelcoming boys at the park and when Kiki, Dylan's pet chicken, decides to venture out on her own.

Themes and Skills: Children will learn about the true value of friendship, and of being proud of their own culture while also respecting that of others. Children will learn six new words in different languages and feel like little polyglots themselves!

Author Victor D.O. Santos
Illustrator Eszter Miklos

Dylan's Birthday Present /O Presente de Aniversário de Dylan

Dylan is an American boy like many others. One thing makes him special, though: his parents come from other countries and speak to him in different languages. It's his birthday today and he received a very unusual present, only to lose it shortly after. Together with his best friend Emma, a sweet bilingual girl born to South African parents, Dylan sets out to find his lost birthday present. During their search, the two friends learn about the value of friendship, of speaking more than one language, and of appreciating one's own as well as other's cultural and linguistic background.

Themes and Skills: Teaching the value of showing children the value in speaking other languages.
