

St. Alban's Summer Camp 2026

Monday-Friday 9:00am-12:00pm (extended hours available)

The World is our Playground

Session 1: May 27 – June 5

The World Is Our... Imagination!

In this session, children will use their imaginations to build friendships, explore camp routines, and ease into the rhythm of summer together. Through pretend play, storytelling, movement, and creative exploration, campers will begin their summer journey by turning everyday spaces into places for play, adventure, and connection.

Session 2: June 8 – June 18 (Closed June 19 for Juneteenth)

The World Is Our... Sandbox!

Sea, beaches, and mud set the stage for this sensory-rich session. Children will use their imaginations as they dig, pour, splash, and explore sand and water through hands-on play. Messy exploration, bubbles, and outdoor water fun will encourage creativity and curiosity!

Session 3: June 22 – July 2 (Closed July 3)

The World Is Our... Zoom Zone!

Things that go take over camp as children zoom through ramps, tracks, and movement games. With plenty of running, rolling, and superhero inspired play, this session focuses on active fun, imagination, and working together.

Session 4: July 6 – July 17

The World Is Our... Backyard!

Animals of the past, present, and imagination come together in this outdoor adventure. From dinosaurs to backyard critters and mythical creatures, children will dig, climb, balance, and explore through hands-on play, sensory experiences, and imaginative discovery.

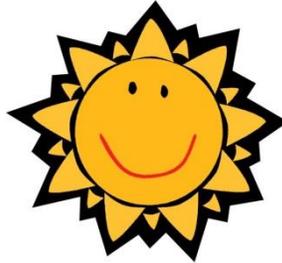

Session 5: July 20 – July 30 (Closed July 31)

The World Is Our... Discovery Lab!

This session invites children to explore, experiment, and discover through hands-on STEAM activities and sensory play. Campers will test ideas, build creations, and use curiosity to explore the world around them.
