I am sure many know about our Board President and friend, Dee Ann Smith, having a horrible accident while she and her husband, Jim, were vacationing in Spain. Attempting to cross a the

street Dee fell, hitting her head and had to be rushed to the hospital where she had brain swelling, a concussion and was unable to move her arms and legs.

Thus began this journey of their life of a different kind. Having trouble getting back to the states, Dee remained in the hospital in Spain for several weeks while Jim was trying to arrange transport for them. After, what must have seemed like a lifetime, they were able to get back to the US. Going directly to Houston to one of the best head trauma hospitals in the nation, Dee underwent surgery for several issues. She is still in Houston in a rehab facility while Jim is by her side as much as the facility will allow.

Every day, prayers are raised for Dee Ann, Jim and their family that healing and favor will surround them.

Dee Ann's accident hit HHAC, family members, and friends hard. The financial burden from medical expenses, lodging for Jim, travel expense and more is tremendous. I can't even begin to imagine.

Their church, Emmanuel Lutheran, contacted me asking if they could use our facility to host a pasta dinner to help raise much needed funds for the Smiths. This event will take place Friday, February 11 beginning at 6 pm. The meal will be by free-will donation.

Emmanuel Lutheran will also have their Country Store where wonderful baked goods will be sold and there will also be a silent auction.

We hope you can attend. Call 830-591-2711 for more information.

Our hearts and prayers go out to all who have experienced trauma and or death in their families. Father please.....
