HAPPY THANKSGIVING EVERYONE!

SUE'S CORNER

When we first began to apply for our Bingo license in November of 2018 we were hoping to start playing January of 2019. To our surprise, we were informed we had to take it to a county vote which put us off another year. In November of 2019 we had the vote and it passed with a majority of 87%! Applying the second time was a little easier only because I knew a little more as to what I was doing but the mound of paperwork still had to be completed and signed by numerous people including county officials. Come January of 2020, we hit the ground running and did absolutely fantastic the first 2 and a half months. Then.....well you know, Covid hit and hit with a fury. Justifiably, after opening back up from being shut down, we went from averaging 150 plus in attendance to just over 30. Due to reduced numbers, our pay-out had to be reduced, which our players didn't like but we could not pay out more than what we took in. We never were able to fully recover.

On Friday, October 8, the decision was made to put our Bingo on temporary hold. It was a hard decision to make. We have a couple of options that myself and the board are considering but nothing has been decided yet.

Many have called or talked to me out in the community sharing how sorry they are that we stopped having Bingo. They also told me their opinion as to what happened. I appreciate the support so many continued to give us even when we had to reduce payouts. Thank you!

No one knew Covid would hit. We are blessed HHAC is still operating and planning for the future. For instance, on Saturday, November 20th our Brisket Plate Sale will be held at 333 E Main. Presale tickets are available at the Center or drop by the location the day of the event. A Spring Golf Tournament is in the works, cooking classes, health information classes along with other fund-raisers and community events. Please support us by attending.

If you have ideas as to what you would like HHAC to do in the future, please share them with us. My email is uaacoffice@sbcglobal.net or give me a call.

If anything, we are resilient. We will survive this setback! I have said many times "God would not have brought me to Uvalde and HHAC to fail". I believe that! He knew HHAC before Herby Ham even had the dream and He will see us through.

Thank you for your prayers and support.

HHAC TRIM A TREE PROJECT

“ A new commandment I give unto you, that ye love one another, even as I have loved you, that ye also love one another. By this shall all men know that ye are my disciples, if ye have love one to another.” John 13:34-35

As the Christmas season is fast approaching, let us take time to show love for each other. Let your giving spirit dominate this holiday season by showing how many disciples we have here in Uvalde and the surrounding areas. November 15 through December 15th, Herby Ham Activity Center will facilitate the Trim-A-Tree Project to collect food for the local food pantry. Your church, organization, or neighborhood can show your love for one another by participating.

We are looking for 10 organizations to come out the week of November 15th and beautifully decorate a Christmas tree in the halls of the Herby Ham Activity Center. Once the tree is decorated each organization and the community is to encourage to donate non-perishable food items to fill up all the area under and around their tree. The organization who has the most items under their Christmas tree will win a free rental in 2022. (deposits, security, and insurance excluded) You can register your organization for this year's Trim-A-Tree project by calling (830) 591-2711.
