UVALDE STRONG

Enough Said...

Over 200 were in line at one time. Some waiting all day to donate with no complaints. Everyone wanted to help. Thank you all so much!

Methodist Healthcare Ministries jumped right in all 3 days with food and water for our blood donors. Thank you !

15 plus Army Reservists drove 6 hours from McAllen, Texas to donate blood. We so appreciate y'all.

Waco Calvary Chapel was just one of many offering free food to Uvalde. Our hearts are full.

Prayers lifted up.

Thank you HEB for all of your love and support to our community.

Comfort Dogs. Love given...Love received.

Quilts of Grace is receiving donations of quilts and supplies from all over the country for the families and area children and teens.

No judgement, No prejudice, No fear. Thank you comfort dogs and those who brought them to Uvalde.

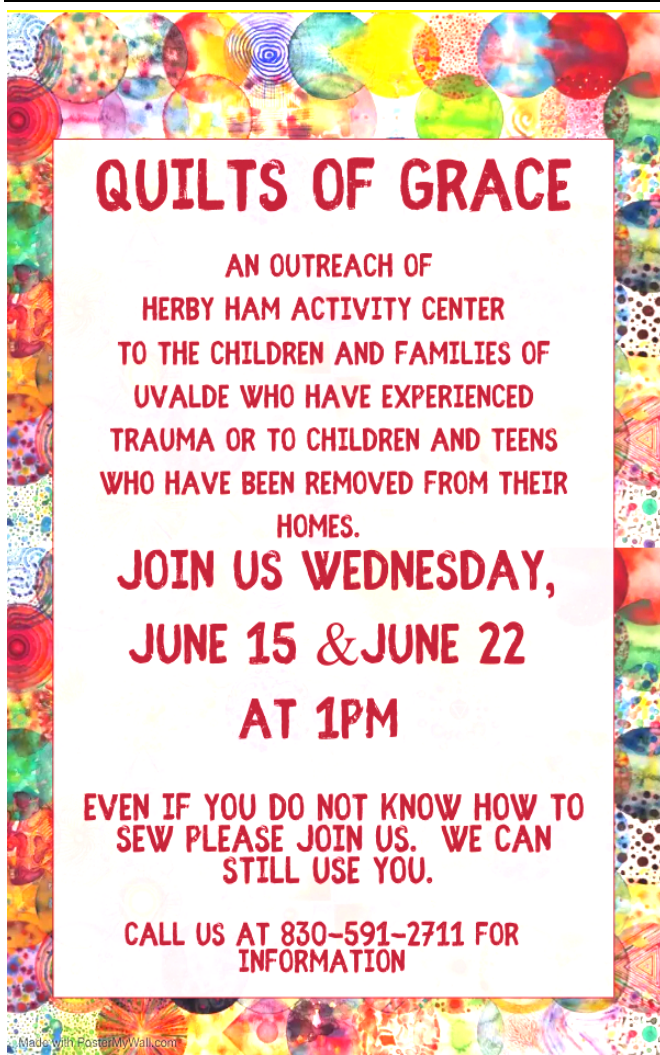

Over 2 weeks ago 21 families in Uvalde woke up to empty beds. The bottles that hold our tears in Heaven began to overflow. I can imagine God placing more out saying "We are going to need more, much more." (Psalms 56:8—You keep track of all my sorrows. You have collected all my tears in your bottle. You have recorded each one in your book.)

Hard to understand, but I thank Him that I was here for this and will be a part of the planning for the future of Uvalde. I cherish the prayers prayed and those to be prayed, for the hugs given and received, for the outpouring of love from people within and beyond our community and even our nation. I received a call from a lady in France asking if there was anything she could do from over there. Rabbi Ron who is over the JCC in Pittsburg, where the temple bombing was in 2018, is wanting to create a partnership between Herby Ham Activity Center and Uvalde with their organization. A doctor who owns a bakery in California has sent dozens of "Message Muffins" for us to distribute. Each one has a special message attached. We have received teddy bears, quilts for our Quilts of Grace Program and much more.

To HEB and HEB Crisis Management, words cannot express my gratitude for what they have done for the Garcia Family, HHAC and this community. They live streamed the funeral of Joe and Irma Garcia who Joe, an HEB employee, passed with a "broken heart" after Irma died. They brought employees from around Texas to work at Uvalde and Laredo's stores so those employees could attend the event here at HHAC. HEB has also offered to partner with HHAC for future events such as our Christmas Tree Food Drive and helping us in other ways. Thank you HEB.

I do not know any of the families well, only for when they have rented our facility for baby showers, birthdays and other events or to say hello when seeing them across town. But now I feel I do. I know the faces of the children and the teachers. I have come to know the heart of this community in a deeper way and I know that even when there is evil in the world God will and does reign. Things have been so busy here at The Center to where I have not had the opportunity to truly grieve over what my community has lost but when I do I know that God will bring that bottle close for my new tears that he holds so precious to him.

Uvalde Strong!
