#### Administrator Q&A (Trevor)

- Tax ID info
  - We want to do as much separation between coaches and money as possible
  - By using PFG tax ID info last year, parents could order thru a link and avoid money changing hands w/ coaches to keep things as clean as possible
  - There was a letter explaining that PFG was the third party between Pacific and the company
    - we could shop for best cost instead of getting bids or go through approved vendors per district protocol
- Email PFG with questions/concerns/discussion points for admin 48 hours+ before meetings
