@ASINAGLOBAL

About us

At Asina Global, we are furniture manufacturers dedicated to bringing our craftsmanship to international buyers. Our mission is to deliver exceptional furniture solutions – from custom-made pieces to complete building projects using a wide range of premium materials. We focus on reliability, quality, and efficiency in every shipment, building long-term partnerships that make global furniture trade seamless and successful.

@ASINAGLOBAL

Why choose us

At Asina Global, we focus on quality, consistency, and trust. Every piece of stone is carefully selected and processed to meet strict standards in durability and design. We work closely with architects, designers, and builders to ensure every project receives materials that not only look good, but last. Our goal is simple – to deliver reliability and long-term value in every surface we provide.

Product Specifications

Package Process

STEP 1

Packing finished products with PE film to protect the surface and to keep products clean.

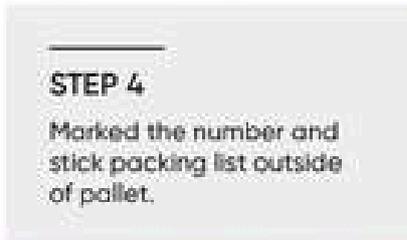

STEP 2

Pack the slabs into wooden pallets.

STEP 3

Sealing and fumigating the crates to make sure no microorganism remained.

STEP 4

Marked the number and stick packing list outside of pallet.

STEP 5

Loading Pallet in container.

Fabrication Workshop

The fabricator workshop spans over 10,000 square meters and is equipped with state-of-the-art machinery specializing in thin-planting, punching, and precision edging to create a variety of cut-to-size items, including sinks, pots, and countertops.
