

The Spuncat Tribe — Whitepaper

Vision & Intentions

The Spuncat Tribe is built around intentions, meditation, and human connection in a digital-first world. We embrace AI and blockchain while keeping the vibe playful, creative, and community-driven.

Token Standard & Transparency

- Network: Solana
- Standard: **Token-2022** (explorers are still rolling out full support)
- Total Supply: 2,000,000,000 SPUN
- Mint: BfPLabRsQTEKAdKX4kdw6k9ihUoPgcEaVYEz2CVtibfk
- Current Holding Wallet: CwjUFgSX4bBAmntvfqmNoyokwpwjLvrJFwCrc3yJ5c7e
- Treasury / Multisig: **Spunion Kitty** (Squads) —
8GPyHHU5274yUxse6cVqnjYxssUXVzhmnU863FKjjFpJ
- Mint authority **revoked prior to presale**; freeze not set; **75%** locked in multisig for 12 months (dev-only withdrawals).
- Provenance: a year in the making; this is our **third attempt** (we learned multisig + metadata best practices).

Tokenomics

- Presale: **20%** (1 SOL = 100,000 SPUN; 5 SOL cap per wallet).
- Airdrops: 20% for contests and early contributors until launch.
- Reserve Fund & Development: **25%** (audits, future LP contributions, tooling, growth).
- CEX Listings: 10%.
- Marketing: 10%.
- Team: 5% (Squads multisig; 12-month lock).
- Merchandise & Expansion: 5%.
- Community Rewards: 5%.
- Community Liquidity: anyone can add LP on Raydium at/after TGE.

Roadmap

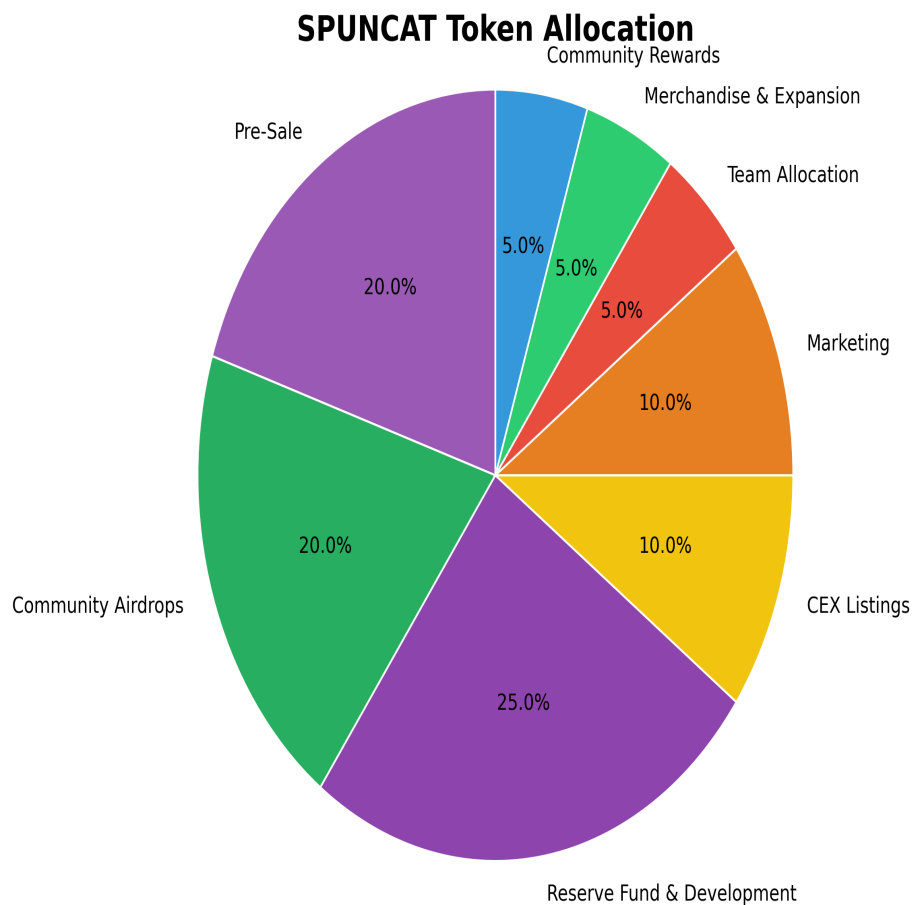

Phase 1 — Presale: Surprise window; wallet caps; whitelist live.

Phase 2 — Community Growth: Airdrops; social activation; community story votes.

Phase 3 — Expansion: Raydium listing; smart-contract audit; merch; IRL collabs.

Phase 4 — Tribe Rollout: Gradual character releases; NFTs; light gamified utilities.

Token Allocation (Pie)

Characters (Core Cast)

SPUNCAT (Ticker: \$SPUN) — Nerdy, crypto-savvy cat with Solana eyes.

MUSH MOUSE (Ticker: \$MUSH) — Bikini-clad optimist; bite-size life lessons.

B-HOUND (Ticker: \$BHOUND) — Sports-capping hound; risk-aware but fearless.

DMT Candidate 1: Demarious Magic Toad.

DMT Candidate 2: Dynamite Mike Tyson.

DMT (Ticker: \$DMT). The community will choose the character name, but the **ticker stays \$DMT** regardless of the vote outcome.

Security & Operations

- Mint authority revoked before presale; freeze not set.
- 75% supply locked in Spunion Kitty multisig for 12 months.
- Ledger view-only for transparency.
- Metadata on IPFS; explorer recognition for Token-2022 will continue to improve.

Official Channels & Copycat Warning

Only trust the published mint and wallets listed in this document and on our official channels. Any “Spuncat” tokens from other developers are **not** the Spuncat Tribe.

Community Participation

Vote on DMT's name; help shape the storyline; join contests & contribute art; promote mental-health awareness and intentional living.

Closing

The Spuncat Tribe is more than a coin: a creative movement guided by intention and community.
Spread love. Get Spunioned.
