

## ASP Tactical Baton Certification

# PROTECTING THOSE WHO PROTECT

*This 8 Hour Certification Course is taught by ASP Senior Defensive Tactics Instructor Dr. Peter A. Davila, ASP Instructor Officer Bernie Tabares.*

Who could have predicted the phenomenal success and overwhelming acceptance of the ASP Tactical Baton concept? When we began in 1976, our goal was to provide officers with on the street with the finest possible impact weapon. We also wanted a training program that was realistic. Now the ASP Tactical Baton is the dominant intermediate force impact in the law enforcement community. ASP training is the most widely utilized baton program in the world.

During this 8 Hour certification program the student will learn:

- 1) Portation (Carrying)
- 2) Presentation (Drawing)
- 3) Striking Techniques.
- 4) Mechanical Function.
- 5) Maintenance of the ASP expandable Baton...

The Use of Force Continuum is also covered. Students should be in good physical condition as this is a strenuous course.
