

Principles of Protection Certification

This course is facilitated by Senior Defensive Tactics Instructor Dr. Peter A. Davila, and instructed Police Swat Major Manny Arrebola and Police Firearms Instructor Anthony E. Davila

This course is designed as a basic 40-hour introduction to the general aspects of Executive Protection. The student will be introduced to defensive tactics, tactical firearms training, and defensive driving techniques. Advanced party, coordinating with law enforcement, movement and transportation of the principle are strongly covered. Corporate and Celebrity issues are stressed, as are dangerous subjects, and stalking.

Communications and equipment considerations are also covered. In addition, the student will be introduced to interpersonal skills and intelligence and sources of information.

COST:

The cost of this 40 hour certification course is \$750.00. This will include the training manuals DVDs, and work out T-Shirts. Student will provide their own firearms duty belt and holsters. Ammunition will be provided at a discount price.
