21st March'24, Kolkata: In recognition of upcoming World Tuberculosis Day on 24th March'24, Medica Group of Hospitals, the leading private hospital chain in Eastern India, organized a press conference on 21st March, Thursday, at the Press Club, Kolkata. Tuberculosis (TB) poses a significant public health challenge in India, with the highest global burden in terms of both cases and fatalities. India represents 28% of all TB cases globally. The event aimed to raise awareness about TB among the public, in line with the World Health Organization's (WHO) theme 'Yes! We can end TB'. Dr. Debraj Jash, Director, Department of Respiratory Medicine, Medica Superspecialty Hospital, shared crucial insights and essential facts about TB along with Dr. Saumitra Bharadwaj, Group Chief Marketing Officer, Medica Superspecialty Hospital. They emphasized the importance of early detection, prompt treatment, and cleared the misconceptions surrounding the disease.
