Nitrogen	(N)	Ammonium Form	10.0% w/w
Phosphorus	(P)	Water Soluble	18.1% w/w
Phosphorus	(P)	Citrate Soluble	3.7% w/w
Phosphorus	(P)	Citrate Insoluble	0.1% w/w
Phosphorus	(P)	Total	21.9% w/w
Sulfur	(S)	as Sulfate	1.5% w/w
Fluoride	(F)	Maximum	3.00% w/w
Fluoride g/kg P	(F)	Maximum	150g/kg P
Cadmium	(Cd)	Maximum	15mg/kg
Cadmium mg/kg P	(Cd)	Maximum	75mg/kg P
Lead	(Pb)	Maximum	100mg/kg
Mercury	(Hg)	Maximum	2.0mg/kg
Arsenic	(As)	Maximum	40.0mg/kg
Arsenic mg/kg P	(As)	Maximum	200mg/kg P

Estimated Density 1,000kg/m³

Quoted bulk fertiliser densities may vary by +/- 15%

HEAVY METALS

This product contains heavy metal impurities. Its use may result in accumulation of cadmium, mercury and arsenic in the soil. Depending on soil characteristics, irrigation water quality, plant species and variety, crop uptake of cadmium and arsenic may lead to residue limits in plant and animal products in excess of the maximum level specified by the Australia New Zealand Food Standards Code. In pasture, the offal from grazing animals may also exceed these limits. Users are encouraged to seek further advice.

USE DIRECTIONS

This product should not be stored in a silo.

Granulated Diammonium Phosphate fertiliser for use at planting in grain and forage crops, in sugarcane and for top-dressing intensive pasture.

This fertiliser is for dry application to the soil. It contains insolubles and is not intended for application in solution, i.e. in fertigation programs or foliar sprays.

This product should not be fed to livestock or used in stock feed mixtures.

If top-dressing pastures, do not graze for 3 weeks after application.

WARNING - DO NOT STORE FERTILISER IN SILOS

Bulk fertiliser should only be stored for extended periods in purpose-built sheds or bunkers. Where this is not possible apply as soon as practical after dispatch - ideally within 48 hours.

Should this product not meet your expectations, please contact your fertiliser supplier before use. Fertiliser may burn and/or damage pasture and crops, and affect the health of grazing animals. Avoid direct ingestion of undiluted fertiliser by livestock. This information is intended for general informational purposes only and independent agronomic advice should be obtained before using this product. As climatic and soil conditions, application methods, irrigation, agricultural and grazing management practices are beyond the control of *Dellavedova Fertilisers and cannot be foreseen, in no event will Dellavedova Fertilisers and its related bodies corporate be liable for or accept any responsibility whatsoever for any direct, indirect, punitive, incidental, special or consequential damages (including but not limited to loss of revenue, production, crops, and livestock), in respect of the illness, injury or death of a person, damage to property (including of a third party), or any other loss whatsoever arising out of or connected with the use or misuse of this fertiliser, or its transport, storage, handling or application. Where Dellavedova Fertilisers and its related bodies corporate's liability cannot be lawfully excused, it and its related bodies corporate's liability shall be limited to the replacement of or cost of the fertiliser as supplied.

The buyer accepts and uses this fertiliser subject to these conditions.

SAFETY DIRECTIONS

Avoid ingestion and inhaling product. Contact with the eyes and skin must be avoided and wash immediately with running water if this occurs. Protective clothing, eyewear and dust masks should always be used when dealing with this product. For more safety directions, go to <https://bit.ly/ChemAlert> to search this product on ChemAlert.

CARE OF EQUIPMENT

This product can be corrosive to metals. Clean equipment after use, and follow manufacturer's maintenance advice.

Equipment used to transport and handle fertiliser should be thoroughly cleaned before being used for other purposes.

ENVIRONMENT

Dispose of packaging in accordance with state regulations.

This label complies with the Fertilizer Australia National Code of Practice for Fertilizer Description and Labelling.
