

OFF-LEAD WALKING PERMISSION FORM

I, the below named client, give the Service Provider permission to walk my dog off its lead during any walk undertaken during my absence.

I understand the potential consequences that could occur to my dog or to other dogs if walking my dog off the lead while in the care of the Service Provider. I agree to release The Service Provider from all liability including its members, agents, managers, and employees should my dog become lost, injured or otherwise harmed, which may result due to my dog being walked off the lead.

The Service Provider agrees to exercise all reasonable and due care to prevent injury or death to my dog off the lead - however, in the event of injury/death, except those caused by reckless acts on the part of The Service Provider, the Service Provider will not be held liable for such injury/death of my dog as a result of off-lead walking.

I freely and voluntarily enter into this contract of permission with the Service Provider and fully understand the above conditions.

This permission can be part of the Service Agreement but cannot replace the Service Agreement in part or in full.

I have read the Service Agreement, in particular paragraph 8.7.
