Cyber Risks and Response: A Panel of Experts

Please join the ***Greater Milwaukee Safety Council*** and ***Johnson Financial Group*** for a webinar about cyber risks and response. Topics discussed in the webinar will include:

- What statistics say about your chance of an event, impact from events and losses
- What are the ongoing and new COVID-19 events within cyber risk?
- Insurable hurdles and questions you should ask about your policy...what's "included" in your commercial insurance policy, either free or for a small charge, cyber coverage vs standalone specialized coverage
- Next steps: when you think something has happened what's next?
- Stories and events we've seen and helped with: what has been learned, do's and don'ts (as well as outcomes)
