

# YOU'RE INVITED!

**Friday, October 23rd 2020 at 12:00 PM**

## **Elements of a Respiratory Protection Program (RPP)**

**When do I need a RPP, and what are the key elements of OSHA's Respiratory Protection Standard (29 CFR 1910.134)? Learn how to decide if your company needs a program, and what that means for you. Are you mandating respirator use, or do you let employees voluntarily wear respirators?**

**Understand the elements of an RPP. We will discuss how to determine what type of respirator is needed, what you need to do prior to putting employees in respiratory protection, and common mistakes we see with fit testing, wearing and caring for respirators.**

### **Location:**

**Webinar**

### **Date/Time:**

**Friday, October 23rd, 2020  
12:00 PM - 1:15 PM CST**
