DESSERT TABLES

MAKE A SPREAD OF SWEETS FOR YOUR GUESTS.

HOW TO CREATE A SPREAD

HOW MANY DESSERTS SHOULD I HAVE PER GUEST?

We advise our couples to have anywhere between 2 -3 desserts per guest. We recommend 3 desserts to allow for your guests to come back for seconds & thirds should they desire to.

WHAT WILL BE PROVIDED WITH MY DESSERT SPREAD?

We do not offer rentals at the moment. But will provide cocktail napkins. Dessert spoons will be provided should you opt for cake shooters. Your desserts will be arranged onto your provided risers and stands.

WILL THE DESSERTS BE DECORATED TO FIT THE THEME?

We can do so with our cupcakes, mini cookie sandwiches and lastly our cake cones upon request. Additional fees may apply.
