**Sacrament of the Anointing**

**The Sacrament of Anointing** is to be administered by a priest. The Sacrament can be conferred upon a baptized person who has attained the age of reason and who faces illness, danger, old age, or infirmity. **This sacrament should not be postponed until the person is gravely ill.** Ideally, whenever a person facing illness or infirmity feels the need for strength or blessing of the church they should seek the sacrament within the context of a healing mass. This sacrament can be received more than once and should be received when a person **begins to be in danger due to sickness or old age.** The sacrament shouldn't be deferred until death is immanent.

**Funeral Arrangements**

When making Funeral arrangements please go to the mortuary first and the funeral home will contact the office to make final arrangements for the mass and burial.

Cuando hagan arreglos para un funeral por favor no vengan directo a la officina primero vayan a la mortuoria y la mortuoria llamara a la officina para los arreglos finales.
