#### Sacrament of the Anointing

Sacrament of the Anointing is to be administered by a priest. The Sacrament of Anointing can be conferred upon a baptized person who has attained the age of reason and who faces illness, danger, old age, or infirmity. **This sacrament should not be postponed until the person is gravely ill.** Ideally, whenever a person facing illness or infirmity feels the need for strength and blessing of the church they should seek the sacrament within the context of a healing mass. The sacrament can be received more than once and should be received when a person **begins to be in danger due sickness or old age.** The sacrament shouldn't be deferred until death is immanent.

**Living God's Word**  
Today Jesus boldly seems to reject his biological family in  
place of those who do the will of God. In this passage Mark  
emphasizes how crucially important the will and reign of God  
is for Jesus. To identify those who do God's will as having the  
same status as blood relations is a powerful way to do this.

**Vivamos la Palabra de Dios**  
Hoy Jesús parece negar audazmente a su familia sanguínea en  
favor de aquellos que hacen la voluntad de Dios. Este pasaje  
del Evangelio según san Marcos, enfatiza cuán crucialmente  
importante es para Jesús la voluntad y el reino de Dios. Poner a  
aquellas personas que hacen la voluntad de Dios en el mismo  
nivel y estatus que su familia sanguínea es una manera muy  
poderosa de exponer su verdad.
