PARENT/STUDENT EDUCATION ON SAFE ENVIRONMENT

The San Bernardino diocese is committed to protect children, young people, and vulnerable adults from matters related to abuse.

St. Elizabeth of Hungary Church will present throughout the year the Safe Environment Program, "**Circle of Grace**," for students, parents or guardians. This program is provided to us by the Diocese of San Bernardino and is part of our effort to help and keep the family in closer contact with God and teach the sacredness of each person. The *Circle of Grace* is the love and goodness of God that surrounds us at all times and guides us to make decisions that bring us closer to Him and loving our neighbors.

As a parent, it is your **responsibility** to participate in this Diocesan Program with your child/children. Activities will be given and we ask you to share them to help enrich your family with the *Circle of Grace* program experience. This is a mandatory requirement of the Diocese of San Bernardino as part of our Faith Formation Program.

St. Elizabeth of Hungary **has** my permission to present the "**CIRCLE OF GRACE**" program to my child whose name is: _____

And I as a Parent, Guardian, or Adult Candidate will also attend the formation on the day indicated in the Catechesis Calendar.
