About Me

Music, audio production, and education is what I know and love. My job is to open a space to help others fulfill their vision and overcome common obstacles creative art faces. That means I have years of experience collaborating and mentoring other's ideas and projects - thinking how to make them a reality.

Testimonials

Jelena Soro - Jéle

"Juan raised the production level of the song beyond my expectations, so I ended up loving it even more than my original production ideas."

Caar Lemar

"Juan is an extremely talented songwriter, composer, music producer, and editor. I've worked with many, and Juan is one of the best."

Jesse Romo - Eventstellar

"He knows perfectly what you are looking for musically speaking. He is open for a good communication, and has great and brilliant ideas."

Alexis Steinmann - Tomplay

"Communication was very easy, and it was a pleasure working with Juan and his team."

Juan S. Cruz - Uber

"The result was impeccable work and a commercial with music that represented perfectly what we were looking for."

Cordelia Duff - Kiwi Inc.

"The quality of the background music and sound effects we received has been consistently excellent..."

Wake Anderson - SoundBridge, LLC.

"...clean-cut professionalism, fluency in English, and genuine talent as a multi-instrumental music producer."

Maria Keck

"He knows how to bring out my richest qualities, impregnated with his personal vision and touch, making our creation something really special."
