COMMERCIAL BIKE HANDLE BRUSH CUTTER BCX4500

Designed for heavy-duty professional use, the EGO Commercial Bike Handle Brush Cutter boasts a robust 1,600W high-performance brushless motor that delivers instant torque for all-day power equivalent to a 35cc gas engine.

Description

- The EGO Commercial Bike Handle Brush Cutter delivers more power than leading professional petrol models with its 1,600W high-performance brushless motor and intelligent electronics delivering 35cc equivalent.
- This durable brush cutter is designed for 5X longer life under all-day professional use in the toughest conditions with its UV-resistant composite housing, IPX5-rated weather resistance, and strong and light carbon fibre shaft.
- Plus, its variable speed, instant-on trigger delivers exceptional control for easier sweeping motions to power through everything from fine fescue grass to 25mm saplings.

FEATURES

- 35cc petrol engine equivalent with 10% more power than leading petrol brush cutter models
- Brushless motor delivers 1,600W max power, 900W rated power
- Runs up to 140 minutes on low with a 56V 5.0Ah ARC Lithium™ battery (available separately)
- Carbon fibre shaft for ultimate durability
- IPX5-rated weather resistance
- LED Digital Control Panel for increased work efficiency

*Battery & Charger sold separately
