**52CM SELECT CUT™ MOWER WITH TOUCH DRIVE™
SELF-PROPELLED TECHNOLOGY
LM2135E-SP**

EGO POWER+ 42cm Self Propelled Mower suitable for small tight spaces or close to trees this EGO POWER+ mower is designed to make lawn care quick, easy and more efficient. Technologically advanced in every way, each mower packs incredible petrol-matching power as standard.

Description

- The Select Cut™ multi-blade cutting system is equipped with a dual blade set-up that is interchangeable for premium Mulching and premium Bagging.
- The EGO Upper Blade in combination with the lower blade selection will slice the grass into fine fragments; this greatly enhances cutting performance with all grass types.
- EGO's Self-Propelled Touch Drive™ Technology comes from years of research and development.
- Touch Drive™ Technology puts complete control of the self-propelled system in the palm of your hands by using pressure to engage the system.
- Easily control the variable speed with a dial positioned at your fingertips for safe and convenient operation.

FEATURES
