## COMMERCIAL 25CM TELESCOPIC POLE SAW PSX2510

The EGO Commercial 25cm Telescopic Pole Saw features a strong and light telescopic carbon fiber shaft along with a 1,200W high-performance brushless motor that delivers instant torque for all-day power equivalent to a 25cc gas engine.

### Description

- The EGO Commercial 25cm Telescopic Pole Saw is up to 40 percent lighter than leading pole saws and features a strong and light telescopic carbon fiber shaft.
- Powered by industry-leading 56V ARC Lithium™ battery technology, the pole saw boasts a robust 1,200W high-performance brushless motor that delivers instant torque for all-day power equivalent to a 25cc gas engine with 20 m/s chain speeds.
- Designed for heavy-duty professional use, the pole saw's commercial-grade construction delivers 5X longer life with precision-engineered UV-resistant composite housing and IPX5-rated weather resistance for working through the worst weather conditions.
- With its included extension pole, the pole saw extends to 3.9m for trimming, pruning, and limbing operations.

### FEATURES

- Brushless motor delivers 1,200W max power, 1,000W rated power—replacing a 25cc gas engine
- Up to 110 cuts on high with a 56V 2.5Ah ARC Lithium™ battery (available separately)
- Telescopic carbon fiber shaft extends to 4.9 meters with two extension poles (EP1000; 1 included, 1 available separately) attached for a total reach up to 17 feet
- 25cm bar; 1/4-inch pitch, .043 gauge chain
- Variable speed chain up to 20 m/s
- IPX5-rated weather resistance
- Quick-adjust handle
- Compatible with all 56V ARC Lithium™ batteries (available separately), recommended for use with a 56V 2.5Ah battery for maximum performance

\*Battery & Charger sold separately
