52CM SELF-PROPELLED MOWER LM2130E-SP

The wide cutting width is perfect for precision mowing of larger gardens and wider spaces. Self-propelled with automatic variable cutting speed, ideal for large and sloping lawns. The Select Cut interchangeable multi blade cutting system that allows you to choose between specialist mulching blade and bagging blade.

Description

- The EGO POWER+ 52cm Select Cut Self-Propelled Mower delivers performance that meets or exceeds the power of petrol.
- The Select Cut™ multi-blade cutting system is equipped with a dual blade set-up that is interchangeable for premium Mulching and premium Bagging.
- The EGO Upper Blade in combination with the lower blade selection will slice the grass into fine fragments; this greatly enhances cutting performance with all grass types.
- Touch Drive™ Technology puts complete control of the self-propelled system in the palm of your hands by using pressure to engage the system.
- Easily control the variable speed with a dial positioned at your fingertips for safe and convenient operation.
