COMMERCIAL STRAIGHT SHAFT EDGER EDX2000

Designed for heavy-duty professional use, the EGO Commercial Straight Shaft Edger boasts a carbon fiber shaft built for demanding high-torque applications and a robust 1,600W brushless motor that delivers power equivalent to a 25cc gas engine.

Description

- The next-generation EGO Commercial Straight Shaft Edger features a strong, lightweight carbon fibre shaft for ultimate durability for all-day professional use.
- Its 1,500W high-performance brushless motor with intelligent electronics is powered by 56V ARC Lithium™ to deliver the power of a 25cc petrol engine.
- It has an 20cm blade, adjustable guide wheel, and 7.5cm max cutting depth.
- Commercial-grade construction featuring UV-resistant composite housing and IPX5-rated weather resistance deliver all-day uptime in the toughest conditions.

FEATURES

- 25cc petrol engine equivalent
- Brushless motor delivers 1,500W max power, 1,200W rated power
- Runs up to 135 minutes with 56V 5.0Ah ARC Lithium battery (available separately)
- Carbon fibre shaft for ultimate durability
- LED Digital Control Panel for increased work efficiency
- IPX5-rated weather resistance

*Battery & Charger sold separately
