BACKPACK LINK BATTERY HARNESS

BH1001

The EGO POWER+ Backpack Link adds more run time and less weight to your EGO tools. The Backpack Link is a universal system allowing the user to put the weight of any EGO battery on your back rather than on the tool or in your hand for convenience.

Description

- The EGO POWER+ Backpack Link adds more run time and less weight to your EGO tools.
- The Backpack Link is a universal system allowing the user to put the weight of any EGO battery on your back rather than on the tool or in your hand for convenience.
- Connect the Backpack Link to any of your handheld EGO tools to reduce fatigue, while providing proper support to accomplish all your landscaping tasks.
- Constructed with padded shoulder straps, a chest buckle and hook.
- Carry the weight of the battery on your back not on the tool. Get the bigger jobs done faster with the POWER+ Backpack Link.

FEATURES

- Compatible with all EGO POWER+ 56V batteries
- Add more run time to your handheld tools, not weight
- Suitable for use with EGO handheld tools
- Weather-resistant construction

*Battery sold separately
