## 107CM (42") Z6 ZERO TURN MOWER WITH E-STEER TECHNOLOGY ZT4200E-S

Drives like a car, turns like a ZTR! Introducing the industry's first e-STEER™ technology, which delivers ultimate control with the added precision of a steering wheel.

### Description

- Featuring Peak Power™+ technology, it combines the power of six EGO 56V ARC Lithium™ batteries.
- This 107cm (42") zero turn lawn mower cuts up to 1 hectare\* on a single charge with the four included 56V 12.0Ah ARC Lithium™ batteries and is fully expandable so you can cut three, four, five, or as many hectare as you need.
- Four independent brushless motors deliver the power and performance of petrol while an adjustable hydraulic seat suspension delivers a comfortable mowing experience.
- Customise the ride with an LCD interface featuring three driving modes that can be accessed with the touch of a finger: Control, Standard, and Sport.
- Premium features like LED lights, and a USB charging port come standard to make the experience unlike any other ZTR.

### FEATURES

- Peak Power™ technology combines power of up to six EGO 56V ARC Lithium™ batteries to deliver the power of petrol equivalent to a 22-horsepower engine
- Cuts up to 1 hectare\* on a single charge with the four included 56V 12.0Ah ARC Lithium™ batteries (Individual outcomes may vary depending upon application)
- Fully expandable—add more batteries to cut three, four, five, or as many acres as needed
- 5-11 km/h Speed, up to 13 km/h in travel mode
- Three driving modes: Control, Standard, Sport
- Four independent brushless motors
- Ultimate comfort with adjustable seat suspension
- 107cm (42") cutting deck with zero turn radius
- 10 position cutting height adjustments: 25mm – 100mm
