12" PROFESSIONAL CHAIN SAW

CSX3000

The EGO POWER+ Commercial Series Top-Handle Chainsaw, a revolutionary cordless chainsaw that delivers the power of petrol without the noise, fuss, and fumes.

Description

- With advanced torque and chain speed it delivers the equivalent power of a 35CC petrol chainsaw lasting up to 265 cuts (with the included 5.0Ah 56V ARC Lithium™ battery).
- Equipped with an aggressive 30cm bar and chain, this well-balanced compact saw with included lightweight battery holster is designed to tackle the challenges of all-day professional use while trimming, pruning and limbing.
- The high-efficiency brushless motor allows for longer run time, low vibrations and extended tool life.
- For added safety the cutting-edge chain-brake safety system shuts the blade off immediately.
- Performance that will last with an automatic oiling system that prolongs chain life for smooth, precise cuts, and LED low oil indicator light making replenishment quick and easy.

FEATURES

- Mechanical clutch plus sensor element brake pedal: Double protection making it the safest brake
- Oil light and battery capacity LED indicator
- Stepless speed regulating trigger
- Water Resistant Construction (IPX4)
- Lateral chain tensioning
- 30cm guide bar and chain: Compatible with 35cm, 40cm bar & chain
