BRUSHLESS CARBON FIBRE LINE TRIMMER

ST1520E-S

Introducing the world's first Line Trimmer with **POWERLOAD™** Technology. This technology solves one of the biggest pain points of line trimmers, replacing your line. It is as easy as feeding the line into the head and pressing a button!

Description

- This technology solves one of the biggest pain points of line trimmers, replacing your line.
- It is as easy as feeding the line into the head and pressing a button! The EGO POWER+ 38cm POWERLOAD™ Line Trimmer has a Carbon Fibre shaft that is stronger than any other line trimmer shaft on the market today.
- This revolutionary trimmer is also built with a hi-efficiency brushless motor, bump feed line advance, 2.4mm professional cutting line, and is compatible with all EGO ARC Lithium™ batteries to maximise the convenience of cordless and deliver Power Beyond Belief.
- The EGO POWER+ Line Trimmer with POWERLOAD™ Technology delivers the performance of petrol without the noise, fuss and fumes.

FEATURES

- Carbon Fibre shaft -Stronger than steel, lighter than aluminium
- 2.5 Ah 56-Volt Lithium-Ion Battery: Industry's first and most advanced 56-Volt ARC Lithium-Ion battery
- 4000-5800rpm brushless motor: Power through the densest undergrowth
- Weather-resistant housing
- Dual-Feed 2.4mm diameter premium strength line with 38cm Cutting Width: Efficient trimming
- Clockwise Head Rotation
- Bump Feed Line Advance: To control the cutting line length
- Soft start with constant and variable speed control: Control speed throughout operation
- Up To A 30-Minute Run Time with 2.5Ah battery: Plenty of run time to get the job done
- 50-Minute Charge Time with included Standard Charger or option to charge in 30 minutes with Rapid Charger (sold separately)

*Battery & Charger sold separately
