## 107CM (42") T6 LAWN TRACTOR KIT TR4204E

The EGO POWER+ 107cm (42") T6 Riding Lawn Tractor is a platform-compatible riding lawn mower powered by the same 56V ARC Lithium™ batteries that power all 80+ EGO tools and cuts up to 1.6 acres on a single charge with four included 10.0Ah batteries.

### Description

- The EGO POWER+ 107cm (42") T6 Riding Lawn Tractor is a platform-compatible riding lawn mower powered by the same 56V ARC Lithium™ batteries that power all 80+ EGO tools.
- This tractor features dual brushless and belt-free cutting motors that deliver the equivalent of up to 21 horsepower in a petrol-powered riding mower without the noise, fuss, or fumes.
- Featuring Peak Power™ technology, this electric riding lawn mower uses the power of up to six EGO Power+ 56V ARC Lithium™ batteries to deliver up to 20,000 watts of power and cut up to 1.6 acres on a single charge with four included 10.0Ah batteries.
- Customise your ride with a digital LCD display featuring three blade settings, three drive speeds, and cruise control. Easily adjust the durable stamped steel deck's height across 12 settings from 25mm to 100mm.
- Two anti-scalp wheels are included. Premium features like LED lights and USB charging port.
- A steel front bumper protects the riding tractor from low-speed impacts and a rear tow hitch allows the tractor to haul loads.

### FEATURES

- Peak Power™ technology combines power of up to six EGO 56V ARC Lithium™ batteries to deliver the power of petrol equivalent to a 21-horsepower engine
- Cuts up to 1.6 acres on a single charge with (4) included 10.0Ah batteries
- Durable 107cm stamped steel deck
