

Kentish Swingers Golf Society - Newsletter #7

Weald of Kent Golf Club | Friday 25th September 2026

Another great day out

Our latest Kentish Swingers Golf Society event saw 16 players join us at Weald of Kent Golf Club for another brilliant day out.

A big welcome to our two newest players:

- Tommy & Jack

It was great to have you both join us, and hopefully this was the first of many rounds with the group.

Once again, the weather was firmly on our side. The sun shone throughout the day and it became seriously warm as the round went on. We have been incredibly lucky with the weather all season - long may it continue.

The course was fairly open, which gave everyone a chance to attack and led to some excellent scoring across the field.

The day started in true LIV Golf style, with booze and music flowing on the first tee. Martin kindly relieved everyone else of their opening-tee nerves by slicing both of his first two shots towards the putting green. After that display, it was going to be difficult for anyone else to hit a worse opening shot.

Billy was in full alter-ego mode as 'Jimmy Joe', swigging from a bottle of bourbon from the off and setting the tone for the rest of the day.

Results

1st Place - Sam Barclay - 44 points

An amazing 44 points from Sam to take a well-deserved win on a day of very strong scoring.

2nd Place - Barney Hewlett - 40 points

I was delighted with 40 points, although Sam's superb round proved too strong on the day.

Joint 3rd Place - Winkle & Robbie - 39 points

Two excellent rounds saw Winkle and Robbie share third place, each finishing just one point behind second.

Extras

Nearest the Pin - Archie

Longest Drive - Archie

For the first time in the society's history, the same player took both prizes. The longest drive was seriously impressive - I could even see the marker from the tee box.

Golfer of the Month (for all the wrong reasons...)

Jack the Ripper took the 'Loser of the Month' trophy home for the second month running. His low scoring is becoming so consistent that it is almost impressive. Can he make it three in a row, or will someone finally take the trophy off his hands?

The 19th hole

After the golf, quite a few of us headed back to The Rock to carry on drinking at an impressive rate. The music was on and the shots were flowing. From what I can remember, it was a very good evening - although I asked a few of the others and they cannot remember too much either.

Overall, another fantastic day with the group. Thanks to everyone who came along, and congratulations again to Sam on the win and Archie on completing the double.

Looking forward to seeing everyone at the next one.

Barney Hewlett
