

**Attention parents:**

The school has a Facebook page so that pictures of your children doing activities can be posted for you all to enjoy. If this is something you are interested in, below is a permission slip to be signed that will allow us to put your child's picture on our Facebook page and possibly our webpage. There is also a place for your email address, as I send out the monthly calendars and newsletters via email and any information that relates to the school.

**Monthly Newsletter & Calendar:**

Each month parents receive a class calendar and newsletter with important school information. Please provide us with your email address(es) so that we can send you school news (we do not share email addresses with anyone).

**Photo consent:**

By signing below, I give consent to or deny for Dunedin Montessori Academy and/or its employees to photograph my child during participation in school activities. I understand these photographs will be used for gifts for parents, our website, and our Facebook page.
