Welcome.

Welcome to the world of Cunard®. And what a world it is. From signature touches that make each day special, to moments of pure indulgence - ours is a world filled with possibilities and the freedom to spend your vacation doing as much (or as little) as you please.

Choosing to escape the everyday with us isn't just about the experiences you can look forward to on board. Our itineraries offer the chance to step ashore in some of the world's most magical and adventurous destinations - places that really are a world away. The enigmatic North Cape, Alaska and Asia are just a handful of the enriching destinations our fleet will visit in 2022. While in 2023, we'll celebrate the 100th anniversary of our first World Voyage with two exceptional centenary sailings, along with full circumnavigations of Japan and Australia.

There'll be opportunities to soak up winter sun in the Caribbean, island hop in the South Pacific and explore sparkling cities such as Cape Town, San Francisco and Singapore by night. Transits through the Panama and Suez Canals offer further iconic journeys delivered in signature Cunard style. Queen Mary 2® will make her much-loved Transatlantic Crossing between New York and London, Queen Victoria® will call at Tonga and the Samoa Islands, and Queen Elizabeth® will journey to Taiwan, South Korea and Vladivostok, where she'll make a maiden call for our fleet.

On each of our ships, you'll discover a world of fun and relaxation, where grand lobbies and spacious staterooms are complemented by vibrant bars, restaurants and open-air pools. Where simply laying back by day gives way to evenings filled with fine dining, theater and lively entertainment. A world in which to escape life's responsibilities and enjoy the freedom to pursue only the things you love.

Queen Mary 2®

Built to sail the open seas and cut through the mighty Atlantic, Queen Mary 2®, the world's only true ocean liner, has elegance and scale like no other. Nestled within her graceful lines are fifteen restaurants and bars, five swimming pools, a full-sized theater, a casino, a spa, a 3D cinema, a full-scale planetarium, and the largest dance floor at sea.

You'll find acres of deck space and a traditional promenade deck that circumnavigates the ship. She even has kennels to accommodate our four-legged guests in style on Transatlantic Crossings.

Queen Elizabeth.®

Christened by her namesake Her Majesty The Queen, Queen Elizabeth® pays tribute to classic art deco design; styling that has won her numerous accolades and made her a firm favorite with guests.

The heyday of Hollywood glamour is instantly evoked in her elegant wood paneling, gleaming chandeliers and marble flooring but nowhere more so than in her triple-height Grand Lobby; its sweeping staircase dominated by a stunning marquetry-paneled portrait of the original RMS Queen Elizabeth.

For relaxation, Queen Elizabeth offers spacious decks, a Garden Lounge – based on the hothouses of Kew Gardens – and a unique Games Deck, where you can try your hand at croquet, bowls, or paddle tennis.

Queen Elizabeth, Hubbard Glacier

Queen Victoria.®

Similar in size and layout to Queen Elizabeth®, but with her own distinct personality and feel, Queen Victoria®'s classical decor has an Edwardian elegance, executed with Cunard®'s hallmark flair.

She's also the holder of several firsts: the first Cunard ship to have a female Captain – Inger Klein Thorhauge, and the first in the world to offer private theater boxes at sea.

Fans of Queen Victoria often remark on her unusual coziness. Because, while she's every inch a grand ship in size and decor, she has a particularly warm and intimate ambiance throughout.

Eastbound Panama Canal, United States and Europe.

Queen Elizabeth®'s transit of the Panama Canal, unlocks a host of incredible seafaring journeys that transport you from North America to the Mediterranean, via Mexico, South America, and the Caribbean.

Spend a day exploring Vancouver's galleries and museums before making your way to San Francisco, to be greeted by the awe-inspiring sight of the Golden Gate Bridge. While there, take a boat trip out to Alcatraz Island to explore the cell blocks of this infamous U.S. former prison once dubbed inescapable.

Los Angeles brings the star-studded Walk of Fame and Hollywood sign, before Mexico and South America beckon. Feel the softness of white sand caress your feet in Cabo San Lucas and stroll the beachfront promenade in Puntarenas, refueling with an invigorating cup of Costa Rican coffee.

The Panama Canal is your gateway from the Pacific to the Atlantic and on to the Dutch colonial houses of Aruba's enigmatic capital Oranjestad. Savor the sight of verdant jungles from the deck of your ship as you bask in this historic feat of manmade engineering. Hamilton, Bermuda blends pastel-colored buildings with stone cathedrals and the chance to sight sharks and turtles, while Fort Lauderdale's historic riverfront and Miami's beaches are yours to explore from Port Everglades.

Europe, by contrast, brings centuries-old history and architecture by visionary masters. Explore orange-scented streets in Seville and Gaudi's unfinished church in Barcelona. Walk where Gladiators once did battle in Rome, fall for the gothic charms of Palma de Mallorca, and savor the authentic taste of native Italian pizza in Naples.

Northern Europe and British Isles, by Cunard.®

Revel in pristine scenery and strikingly beautiful cities, as you explore the lands of the Tsars and Vikings, as well as the fair isles on a scenic cruise around Britain.

In Europe's northernmost nations, fascinating contrasts and intriguing natural wonders provide the perfect combination for a magical vacation. Sail along the coasts of England and Scotland, witnessing the breadth and beauty of Britain's diverse topography. Or journey to Iceland, home of the Golden Circle, where thermal geysers await discovery.

Known for its majestic fjords, Norway is also home to a remarkable coastline, sprinkled with charming towns enveloped by breathtaking scenery. Go in search of the Northern Lights and the sparkling Midnight Sun as you retrace the footsteps of Vikings, and marvel at the sight of waterfalls, forested mountains and cavernous gullies as you sail.

Enter the Baltic to enjoy Copenhagen's magical Tivoli Gardens, and enchanting little mermaid, while Sweden beckons with historic Visby. But the Baltic's crowning treasure must be St Petersburg, with its stunning palaces and immense museums, which can be enjoyed during an overnight stay.

On Britain's shores, maritime history and musical legends await in Liverpool. Admire the famous Three Graces buildings or trace The Beatles' rise to stardom. Titanic Belfast is an unmissable attraction in Northern Ireland's capital, while Scotland's wild coastline will captivate on a scenic cruise around the Sound of Mull.

Iberia, Atlantic Coast, and Canary Islands, by Cunard.®

The stunning scenery and glorious climate of these sub-tropical Atlantic Isles are just some of the temptations for these enticing voyages. Enjoy the splendid sunshine and the opportunity to step ashore in a kaleidoscope of tantalizing destinations, direct from London.

Explore the characterful Canary Islands, a rugged volcanic archipelago lying just off the coast of Africa. Lanzarote enthrals with its year-round warm weather and spectacular volcanic park at Timanfaya. Tenerife is a true feast for the eyes with numerous galleries and museums, as well as a cable car to stunning Mount Teide. Gran Canaria offers bustling resorts and quaint fishing villages, while the biosphere reserve of Fuerteventura boasts nearly 100 miles of white, sandy beaches. Then there's relaxing La Palma, one of the smaller islands, featuring Caldera de Taburiente – the world's largest volcanic erosion crater.

As you bounce along the beautifully rugged Atlantic coast of Iberia, you'll also encounter a medley of fascinating destinations, including Portugal's captivating capital Lisbon, and Spain's lush Galicia region from La Coruña. Ancient Cadiz puts you in reach of the beauty of Seville, while beguiling Malaga provides access to the Moorish splendor of Granada. You'll even have the opportunity to take in the views from the top of the rock in Gibraltar.

Equally dazzling is the 'Garden Isle' of Madeira with its vibrant fauna, and Cunard's annual New Year's fireworks display, which lucky guests will experience on Queen Victoria's® 2022 and 2023 Christmas and New Year voyages.

Australia and New Zealand, by Cunard.®

Delve into voyages of adventure throughout Australia, exploring awe-inspiring landscapes, exotic wildlife and a rich variety of enticing coastal cities.

Bursting with golden sands and colorful reefs, Australia is a dynamic blend of natural wonders, where relaxation and play abound. Be enamored by Melbourne's growing art scene, take in the sight of Sydney's iconic opera house or indulge in a glass of Shiraz in one of Adelaide's charming laneways.

In Western Australia, in the historic port of Fremantle (Perth), the botanical gardens at Kings Park are highly recommended, while in Southern Australia a visit to the famous Magill Estate in sunny Adelaide is a must. Australian voyages also reveal wondrous feats of nature. Easy going Cairns is your gateway to the World Heritage-listed Great Barrier Reef, where you can dive among colorful marine life, while Busselton's Tuart Forest National Park offers one-of-a-kind tree encounters.

Boasting some of the most spectacular fiords in the world, and cities with a small town feel, New Zealand's natural charm, and wild beauty have made the islands a popular favorite among travelers. Its Fiordland National Park, including the glacier-carved Doubtful and Milford Sounds, deliver breathtaking scenes, while the islands' beaches offer some of the most majestic coastlines in the world.

Port city Dunedin boasts a harmony of Scottish and Maori heritage, while 'Long harbour' Akaroa, which sits in a beautiful sheltered haven, offers access to the pretty South Island capital Christchurch. North Island highlights begin at cultural epicenter Wellington. Take in art deco-inspired Napier and the nearby wine-producing region of Hawke's Bay, and immerse yourself in the enchanting Bay of Islands, which is abounding with birdlife, dolphins, and even whales.

These remarkable journeys are complemented by voyages to Papua New Guinea, the islands of the Vanuatu ocean nation and Fiji. While in 2023, Queen Elizabeth® will embark on a series of Australia circumnavigations as part of a season celebrating the 100th anniversary of Cunard®'s first World Voyage.

Africa and Indian Ocean, by Cunard.®

Savor South Africa's untamed beauty, give way to relaxation on unspoiled islands, and enjoy wildlife encounters with some of the world's most majestic animals.

Promising wonder, adventure and intrigue, a voyage to the Indian Ocean, and South Africa is an experience that will stay with you always. Delight in powder-soft beaches as white as salt, and jungle canopies that radiate emerald intensity.

With its glorious coastlines and Table Mountain, South Africa's capital, Cape Town, never fails to enchant. Take the cable car to the famously flat summit and drink in the views across the bay, or catch a ferry to the UNESCO World Heritage Site of Robben Island to explore the country's apartheid history and the prison where Nelson Mandela was held.

Durban introduces a harmony of African and Indian influences. Spend an afternoon in the city's vibrant Botanical Gardens or escape it all on the golden sands of one of many inviting beaches. Port Elizabeth is your gateway to the spellbinding game reserves of South Africa's Eastern Cape, while Walvis Bay in Namibia brings the possibility of whale, flamingo and Cape fur seal sightings.

In the Indian Ocean, the French outpost Reunion is a kaleidoscope of lush rainforests and tumbling waterfalls fringed by turquoise seas. Awaken your inner explorer among colorful reefs and soaring volcanoes, or simply lay back and forget it all in the shade of a swaying palm. In Mauritius, Port Louis further immerses you into island life, with French architecture and a waterfront dotted with ambient shops and restaurants.

Many itineraries also offer the opportunity to call ashore in Santa Cruz de Tenerife. Take your pick from atmospheric squares dotted with baroque buildings, or relax away the hours on the pristine sands of the city's famous Las Teresitas beach.

New England and Canada, by Cunard.®

The vast natural landscapes of New England and Canada are dotted by a host of quintessentially vibrant cities, presenting you with a diverse range of alluring voyages.

New York, your gateway to this fascinating region, is always a compelling destination. The list of renowned sights reads long and never fails to impress, yet there are also many lesser-known gems to discover. Historic Boston impresses too, especially so during Independence Day celebrations, which are justifiably extravagant.

Away from the bustling cities, there are serene destinations to explore, where the fascinating history of America's smallest state unfolds, alongside beautiful beaches and gorgeous scenery. The quaint town of Bar Harbor opens up to Maine's spectacular Acadia National Park, where moose, beavers, and bears can be seen in their natural habitat.

The natural beauty of Nova Scotia's Sydney is simply stunning and a call to vibrant Halifax reveals a rich cultural diversity and compelling arts scene. The beautiful walled city of Québec is brimming with French culture and inviting cafés, as well as a magical old town that's quite unique in North America.

Sept-Îles, lying at the mouth of the mighty St. Lawrence River, will astonish with its stunning scenery and rich Innu culture. While Saguenay, which reveals a majestic fjord and picturesque villages, is one of the best places in the world for whale watching.

Mediterranean cruises, by Cunard.®

Launch your exploration of the Mediterranean from London or soak up the many highlights of this exceptional region on a cruise from Barcelona.

The rich history and culture of the Mediterranean are truly unique. Yours to discover from the elegant decks of the Cunard® Queens as they return to Europe for an exciting series of Mediterranean voyages.

The atmospheric Las Ramblas, Gaudí's otherworldly architecture and artworks by Miro and Picasso, are just the pinnacle of Barcelona's magnetic charm. Cadiz, on the other hand, is a compact gem; easy to explore yet brimming with history. It's also the gateway to Seville's equestrian displays and vast cathedral. While the views across the strait, from Gibraltar's iconic Rock, are simply breathtaking.

Italy always impresses and is a joy to explore. In the 'Eternal City' of Rome, the epoch-spanning architecture is extraordinary, from the Colosseum and Vatican City, to the Trevi Fountain and Pantheon. Naples brings the fascinating archaeological site of Pompeii and the frescoes of the city's Duomo di San Gennaro cathedral.

While Pisa's perplexing leaning tower delights on a tour from Livorno.

Croatia's medieval city of Dubrovnik unlocks walks atop immense seawalls, polished limestone streets and a thousand terracotta rooftops. Similarly stunning Hvar is embellished with historic charm, as it sits proudly alongside crystal clear Adriatic waters. While Greek Islands, together with the Balearic Island of Mallorca, offer an ethereal escape from exciting cityscapes.

Oceans of Discovery.

Exploring the mighty oceans that connect our planet is an endeavor that has captivated mankind for eons and it's this same spirit of discovery that encapsulates Cunard®'s global circumnavigations today.

As pioneers of the first World Voyage, we've transported more guests around the world than any other cruise line, and today we invite you to explore with us on two distinct types of voyages:

The World Voyage.

The ultimate seabound adventure, these signature full circumnavigations of the globe call at countless ports across myriad continents, whisking you away for weeks at sea.

Grand Voyages.

Tracing legendary sailing routes through historic and inspiring destinations, these voyages offer extended time at sea, coupled with calls in unique pockets of the world.

Whichever voyage you choose to embark on, you'll be transported into a world of unrivaled style, where each day brings you the freedom to do as much or as little as you please.

Your choice of discovery.

In 2023, we are delighted to offer you a choice of Grand and World voyages that call in Asia, Australia, Africa, Europe and North America, with the chance to stop overnight in cities that truly come to life after dark.

QUEEN MARY 2®

2023.

She'll chart a course through Asia, Australia and South Africa, making a transit of the Suez Canal that connects the Mediterranean and the Red Sea. Her glittering journey will include overnight calls in Dubai, Singapore, Hong Kong, Sydney and Cape Town, while gala balls and afternoon tea are among the on board delights to savor.

Frequently asked questions.

A Cunard® cruise promises wonderful times and a lifetime of memories. To ensure the most superb vacation possible, you will want to be sure you are well prepared before you depart. Here are answers to some of the questions you may have about a Cunard cruise. For more details on any of these questions, please visit Cunard.com, contact your Travel Advisor or call Cunard at (800) 728-6273.

What is included in my fare?

All fares include accommodations as booked, onboard meals* and entertainment. Fares are per person based on double occupancy and are cruise only, excluding air and transfers. Fares do not include Taxes, Fees and Port Expenses, gratuities, CunardCare® travel protection or incidental charges such as laundry, bar expenses, spa and salon treatments, shore excursions, etc.

Can guests with disabilities travel?

All guests requiring specific assistance, facilities or equipment on board, or wishing to bring such equipment on board, must advise Cunard Line at the time of booking and will be asked to complete a questionnaire after booking to ensure we have all the information we need to cater adequately for your requirements.

If you need to bring a wheelchair or mobility scooter on board with you, it is essential that you let us know at the time of booking or as soon as the need is known. Any guests requiring the use of a wheelchair, mobility scooter or other aids to mobility must provide their own. For the safety of everyone on board and the ship, all wheelchairs, scooters and other aids to mobility, as is the case with all other guest possessions, must be stored inside your stateroom when not in use. Failure to comply with this important safety rule may mean you will be disembarked and refused future travel. A part-time wheelchair user traveling in a non-wheelchair accessible stateroom must bring a collapsible wheelchair to ensure it can safely fit through the stateroom door and be accommodated in the stateroom. It is not possible to make structural changes to the stateroom layout. Cunard Line reserves the right to require guests who have booked a wheelchair-accessible stateroom without legitimate reason to move, at their own expense, if necessary.

Mobility scooters will only be permitted on board if guests have booked into a wheelchair-accessible stateroom, or a suite, as these are the only types of accommodation where mobility scooters can safely be stored. The minimum door width of suites is 53 cm (21 in). The minimum door width of the wheelchair-accessible staterooms is 80 cm (31 in). At the time of booking, please let us know if you intend on bringing a mobility scooter with you, and we will in turn provide you with a questionnaire for completion to ensure that the accommodation you have booked is appropriate.

Please note that our wheelchair-accessible staterooms are strictly reserved for guests who are bringing wheelchairs or mobility scooters or who have a requirement for the adapted facilities offered by these staterooms.

A ship is not always the easiest environment for using a wheelchair or mobility scooter. Although our crew is helpful, they are only able to provide limited assistance to help you in moving around the ship. For this reason, and in order to ensure the safety of the guests, the ship and all others on board, we recommend that guests with disabilities who require personal assistance in the activities of daily living, including pushing a wheelchair or being given communication support, be accompanied by personal assistants/traveling companions to provide these services. Blind/visually-impaired guests are recommended to travel with companions who can help them get their bearings and assist them both on board and ashore.

Our crew can provide limited arm assistance and information or directions, but we cannot provide sustained or long-term assistance. Please note that, due to applicable safety requirements, the design of the ship or port infrastructure and equipment, in certain ports of call it may not be possible for us to offer a shore excursion program, or shuttle bus service, suitable for guests who are not able to board a coach via the steps with only the aid of their traveling companion.

Cunard Line reserves the right to refuse passage to any guest who has failed to notify us of their requirement for special treatment or assistance (including the requirement to use a wheelchair or mobility scooter). For further information about traveling with disabilities, please contact our specialist Care Access Team at (800) 728-6273 (Monday-Friday 8am-5pm PT) or contact us by email at accessoffice@cunard.com.

Do you hold emergency drills on board?

Cunard ships are among the safest afloat. An emergency drill for guests will be held before the ship sails from her embarkation port on each cruise. Attendance at these drills is mandatory in accordance with International Maritime Law. In your stateroom, you will find a black folder containing safety information which describes the emergency procedures and designates the route for the guest assembly station to which you have been assigned. In addition to actively participating in the drills, you are urged to study this information carefully and familiarize yourself with the use of life jackets, which are provided for every guest. Children's life jackets are available from your stateroom steward.

*Excludes certain specialty areas of Kings Court and Lido in the evening and The Verandah where surcharges apply.

General information.

Responsibility

Transportation of guests and baggage on Cunard® is governed by the Cunard Passage Contract, a copy of which will be included with your preliminary documents and which is also available upon request. The Passage Contract represents the entire agreement between Cunard and the guest. It is important that you carefully read the entire Passage Contract, as it sets out the rights and responsibilities of Cunard and the guest.

Cunard shall have the right to cancel or alter in any way any scheduled sailing or itinerary which, in its sole judgment and discretion, is justified for any reason and to do so without liability for damage or for any loss to guests. Cunard also reserves the right, in the event of a full-ship charter or for any other reason, to cancel reservations and bookings whether or not a deposit or full payment has been received. In such an event, Cunard's only liability will be to refund to guests the amount it has received.

The guest is responsible for arriving at the respective ports on time for embarkation and for joining the vessel at its next port of call if, for any reason, a scheduled sailing is missed. Cunard reserves the right to refuse or discontinue passage to anyone when, in Cunard's sole judgment, it would be considered a risk to the guest's own safety, well-being and health or a risk to the safety, well-being, comfort and enjoyment of any other guest or crewmember.

Deposits

A 25% deposit is required for all guests (including third and fourth berths) within three days of reservation or sooner, as specified by Cunard for voyages less than 31 nights. For voyages 31 nights or longer, a 20% deposit is required within three days of reservation or sooner, as specified by Cunard. Staterooms are subject to cancellation if required deposit amount is not received within the specified option period.

Balance of payment

Full payment for all cruises shorter than 31 nights must be received by Cunard no later than 120 days prior to sailing. All reservations are subject to cancellation if payments are not received by the due date and are guaranteed only when paid in full at 120 days prior to sailing. Final payment is due at 150 days prior to sailing on all voyages 31 nights or longer. Reservations made between 120 and 31 days prior to sailing require full payment within 24 hours of booking for voyages less than 31 nights. Reservations made between 150 and 31 days prior to sailing require full payment within 24 hours of booking for voyages 31 nights or longer. Reservations made within 30 days of sailing require full payment at time of booking.

Methods of payment

Only U.S. dollar payments are accepted via agency check, personal check, American Express, MasterCard, Visa, Diner's Club or Discover Card. Expenses incurred for onboard services/products by the guest or by Cunard on behalf of guests, shall be paid by guest prior to disembarkation.

If non-cruise components only are canceled, the guest will be responsible for any cancellation charges imposed by the airlines, other transportation carriers, tour and ground operators or hotel properties.

Refunds

All refund requests pertaining to cruise, land and air are subject to final review by Cunard. Partial use of cruise, airfare, hotel and land extension does not qualify a guest for a refund.

Onboard Credit

If you are due to receive Onboard Credit, this will be applied to your account on the first night of your cruise. Onboard Credit cannot be used for any of the following: cash back, casino/gambling charges, foreign exchange, any medical services/prescriptions, charities or for payment of International Visas. This also applies to any gift credits that may be applied to your account.

CunardCare®

We recommend that all guests purchase some form of travel protection that includes cancellation and interruption coverages as well as medical expenses and emergency evacuation benefits. For your convenience, we offer CunardCare, a package of benefits comprised of the CunardCare Cancellation Fee Waiver¹, CunardCare Travel Insurance², and CunardCare Worldwide Emergency Assistance³ designed for our most valued guests.

³Non-insurance services provided by LiveTravel

CunardCare® is available to residents of the United States (except for the state of New York) and Canada (except for Quebec). The At Ease Waiver program is available for residents of New York, Quebec, Mexico, Puerto Rico, and Bermuda.

Visit Cunard.com/AtEase for information on our At Ease Waiver Program.

Baggage and valuables

Though we take reasonable care in the handling of baggage, Cunard's responsibility for lost, damaged or misplaced baggage and other personal property is limited by the Passage Contract. Cunard Line is not responsible for camera equipment, laptops, cash or other similarly fragile and valuable items contained in checked or unchecked baggage. These items, as well as medications and prescriptions in their original packaging, should be carried on and off the ships by the guests themselves. Safe-deposit boxes or in-room safes are available free of charge on board. For your safety, all guests and all baggage must pass a security checkpoint.

Children traveling with an adult

Children under 18 years of age must be accompanied by an adult. Please confirm minimum age restrictions at the time of booking.

Pregnancy Policy

Reservations will not be accepted for women who will be 24 or more weeks pregnant at the time their cruise with Cunard Line concludes.

Embarkation/disembarkation

The ship generally will be available for embarkation four hours before the scheduled sailing time. Due to limited facilities, guests should not arrive earlier than the embarkation time noted on final documents. On disembarkation day, staterooms must be vacated at the time advised by the Hotel Manager. Once customs and immigration clearance has been completed, guests making their own air arrangements should allow three to four hours for transfer time to the airport.

Cunard Line offers optional transfers and hospitality services to the port on embarkation day. Group transfers and service use motor coaches or minibuses; private transfers use luxury sedans for one to three guests or luxury club vans for four to eight guests.

Where available, hospitality services provide you with transfers from your incoming flight to a deluxe hotel at which point your luggage is transported from the hotel directly to the ship. You are free to relax and enjoy the comforts of a Cunard hospitality room and use the hotel as a base from which to explore. Contact your Travel Advisor or call Cunard at (800) 728-6273 for more information.

Guests with disabilities/special diets

Guests with disabilities are welcome aboard Cunard vessels. Due to the configuration of our ships, however, wheelchair users and individuals with sight impairments may experience some difficulties in accessing certain areas. Where any individual would be unable to be safely and comfortably accommodated, we suggest that the guest be accompanied by a companion. Some ports of call require tenders to go ashore and may preclude guests using a wheelchair from leaving the vessel; this decision must be made by the ship's Captain and is binding. Upon notification by a guest with a disability, Cunard Reservations will provide stateroom and bathroom doorway widths and other pertinent access limitations on board the vessels.

Cunard is pleased to permit individuals to bring service animals on board. In order to make appropriate arrangements, notice that a guest will be traveling with an animal must be provided at the time of booking. Local laws or customs may prevent animals from disembarking at particular ports and countries. It is the guest's obligation to obtain all documents/health certificates that may be required. Consult local customs authorities for information and requirements.

Guests with conditions requiring ongoing medical assistance may be asked to have their physician provide a confidential certification form to ensure that they may travel safely. If guests have special dietary needs, Cunard must be advised at time of booking or, at the latest, six weeks before sailing. Every effort will be made to comply with such requests.

Taxes, Fees and Port Expenses

The term "Taxes, Fees and Port Expenses," as used by us, may include any and all fees, charges, tolls and taxes imposed on us by governmental or quasi-governmental authorities, as well as third party fees and charges arising from a vessel's presence in a harbor or port. Taxes, Fees and Port Expenses may include U.S. Customs fees, head taxes, Panama Canal tolls, Suez Canal tolls, dockage fees, wharfage fees, inspection fees, pilotage, air taxes, hotel or VAT taxes incurred as part of a land tour, immigration and naturalization fees, and Internal Revenue Service fees. Port Expenses include fees paid to third parties for navigation, berthing, stevedoring, baggage handling/storage and security services. Taxes, Fees and Port Expenses may be assessed per guest, per berth, per ton or per vessel. Assessments calculated on a per ton or per vessel basis will be spread over the number of guests on the Ship. Taxes, Fees and Port Expenses are subject to change and Cunard reserves the right to collect any increases in effect at the time of sailing even if the fare has already been paid in full.

Cunard® CompleteAir Program, booking procedures, identification and refunds

Guests purchasing flights under the Cunard® CompleteAir Program may select either Flexible or Restricted fares that offer differing levels of flexibility. Guests booked on Restricted fares are required to pay for their flights in full at the time of booking. Guests booked on Flexible fares must pay for their flights in full no later than Final Payment due date, as indicated by the Cunard Line reservations system. Guest agrees to contact airline(s) directly to reconfirm flights, to specify any special travel needs and to obtain seat assignments. Guest is responsible for verifying that the spelling of names shown on the Flight Information notice matches the identification presented at airport check-in (i.e. Passport).

Guests purchasing flights under the Cunard® CompleteAir Program may choose their flight and seat at the time of booking. Guests will be able to choose from a selection of flights under either the Flexible or Restricted program.

Cunard® CompleteAir Late Arrival Protection

Guests who book air travel through Cunard Cruise Line will be automatically enrolled in the Cunard Late Arrival Protection program. If guests miss or will miss their original port of embarkation due to airline delay or an airline service disruption, such as flight cancellation or flight re-routes, Cunard will work with the airlines to find a reasonable alternative to provide flights to the next appropriate port at no additional air cost

to the guest. Please note, this applies to all cruises except Transatlantic Crossings.

Services provided by independent contractors

All shoreside tours and services described in this brochure, including air, hotels, transfers and shore excursions, are provided by independent contractors. Cunard acts solely as the ticketing agent for all shoreside activities. Cunard shall have no obligation or liability of any kind to guests for acts or omissions in connection with or arising out of arrangements with independent contractors, including but not limited to airline carriers, ground/tour operators, hotels and onboard physicians since they are neither agents for nor employees of Cunard.

International travel documents and health information

It is the guest's obligation to obtain and carry with him/her a valid passport, visas, parental authorizations if required as well as public health documents for all applicable ports of call and overland tour destinations. Your passport must be valid for a minimum of six months past the last day of your trip. Check with your Travel Advisor for advice on such requirements. For non-U.S. citizens or non-U.S. legal residents disembarking in a U.S. port, the U.S. Department of Homeland Security requires you to provide your address while in the United States after your cruise.

Depending on the area of the world visited, vaccination/

immunization requirements vary considerably and are subject to change at any time. We suggest that guests traveling outside of their country of residence consider being immunized against Hepatitis A, Typhoid, Diphtheria, Polio, Tetanus, and COVID-19. An international certificate, approved by the World Health Organization, is the best medium for verification that inoculations and vaccinations have been satisfactorily performed and is accepted by health officials at all ports of call. We strongly recommend that all guests contact their personal physician, the Department of Public Health or the Centers for Disease Control to obtain expert medical immunization recommendations for their intended itinerary and travel plans and to specifically address Malaria and Yellow Fever requirements in time to receive any necessary vaccinations/immunizations. Any Malaria prophylaxis medication recommended must be obtained prior to joining the vessel.

Every effort has been made to ensure that the information presented is accurate at the time of printing. Ship details and other information presented are subject to change at any time, at the discretion of Cunard.

What to pack.

Wondering what to pack for your voyage? We have put together a guide to assist you in deciding what to wear for each occasion on your vacation. We hope our style guide featuring iconic fashion houses and international brands will both help and inspire you in choosing your cruise wardrobe.

One of the real pleasures of our ships is the balance between being relaxed and free to dress as you please during the day and the chance to sparkle in the evenings, whether dressing for dinner or the extra glamour of Gala nights.

During the day, feel free to relax and dress as you please in all areas of the ship. Then as the sun goes down, the style goes up. Every night on board, we ask that you wear smart attire in most of our bars, restaurants and entertainment venues.

On our much-loved Gala evenings, which are the highlight of the voyage for many, we invite you to dress to impress as the celebratory atmosphere and sense of occasion is heightened across the ship. There are two or three of these special Gala evenings for every seven days of your voyage. Of course, if you prefer to spend your evenings in more relaxed attire, a selection of casual dining and entertainment venues are always available for your enjoyment.
