Initial bill total (not including additional add ons or tax) Final total will be given at the end of your party

Terms and Conditions

By signing this agreement you are agreeing to the below terms

- A \$100 deposit is required to save your date and time. This deposit goes towards your final bill. Without a deposit, your party is NOT booked.
- The remaining balance shall be paid via cash or credit the day of the party, and will include any additional add ons, upgrades or damaged product made by anyone in your party.
- A guaranteed head count will be required after booking your event. If less than the minimum show up, you will still be charged for the guaranteed number, but you will be able to take home the extra supplies.
- If the party room is booked the \$125 fee is added to your overall bill. Food and bevarages can only be brought in with the party room rental and not with the open studio parties. No alcoholic beverages are allowed
- Booking the back party room allows for you to use the space for 2 hours. Any additional time used after your allotted time will have a \$50 fee added to your bill. (to give us time to prepare for other parties/events we ask all parties to stick to the allotted time.)
- Open studio parties allow for 90 minutes. Any additional time used after your allotted time will have a \$50 fee added to your bill. (to give us time to prepare for other parties/events we ask all parties to stick to the allotted time.)
- The Customer is obliged to use the rented space with care and diligence. Any loss and damages to the fixtures or items throughout the studio will require additional fees for the cost of the damage. This will be added to your bill
- Any altercations relating to your party will result in the party being cancelled and your guests being asked to leave the studio immediatley with no refund.
- We kindly ask that your party remain in your reserved party area to allow other studio guests to continue to browse and enjoy studio time.
- Not all packages will take the full allotted time. It is the responsibility of the customer (party host) to bring in a small game to play the remainder of your time if your party finishes earlier. Or you may purchase an additional craft from us.
- Gratuity is not automatically added to your total but is a great way to show your party associate that you appreciate all of their hard work to make your party memorable.
