

INTERNATIONAL MASTERS ANTERIOR COURSE

HOUSTON, TX | SEPTEMBER 28-30, 2023

www.imacx.com

FROM THE COURSE CHAIRS

Dear Colleagues,

We are delighted to announce this year's International Masters Anterior Course (IMACx), which will take place September 28-30, 2023, at The Westin Houston Medical Center in Houston, Texas.

We invite you to join us for this three-day educational opportunity to learn from internationally-renowned orthopaedic leaders as they share their expertise of surgical techniques, including modifications and extensions for both primary and revision anterior total hip arthroplasty.

Additional content will include recent updates on health economics, the logistics needed to develop a robust Ambulatory Surgery Center (based on a hip arthroplasty program), current trends in avoiding and treating surgical site complications, infection prevention, diagnosis and treatment of complex cases, advances in surgical technology, and novel approaches to pain management.

REGISTER NOW!

JOINTLY PROVIDED BY

fore

IMACx
INTERNATIONAL MASTERS
ANTERIOR COURSE

COURSE HIGHLIGHTS:

- A fireside chat with surgical masters from around the world who are currently utilizing alternative surgical approaches in hip arthroplasty
- "Stump the Faculty" case-based discussions
- Surgical broadcasts showcasing the latest advancements in the direct anterior approach in total hip arthroplasty
- A three-hour bioskills lab at the Houston Methodist Institute for Technology, Innovation & EducationSM, featuring faculty-led demonstrations and hands-on instruction

Didactic sessions will offer up to **17 AMA PRA Category 1 CreditsTM**.

We look forward to seeing you in Houston this September!
