

# Lynn Forbes Sculpture *Who we are:*

The Lynn Forbes Studio is a place where beginners as well as experienced sculptors can discover the exciting process of creating figurative sculpture from ceramic clay using intuition; training the eye and hands directly from sculpture references or live models.

As a highly disciplined art form, skill in sculpture develops with practice and our method makes the journey fun and rewarding from the beginning!

**Mornings: 10:00-12:30 pm ~ Mon, Wed., Thurs, Fri, Saturday** (closed Tuesday mornings for upkeep)
