

Protect your Property from Fire and Enhance Wildlife Habitat

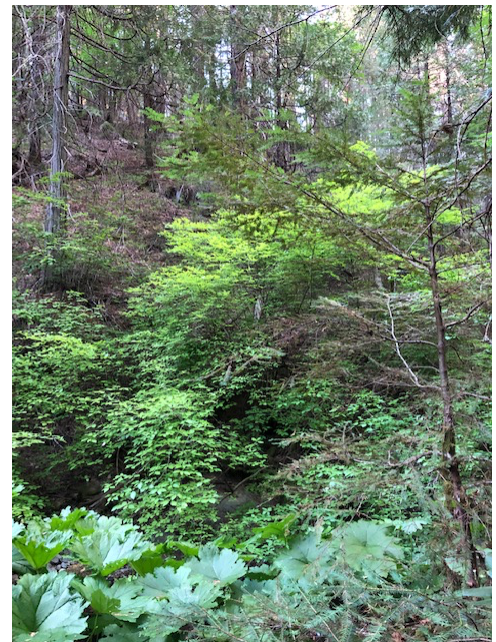

with **Nina Allen**

Land owners with any amount of acreage welcome!

2-hour class (*weather permitting*)
Saturdays, 10 AM - noon

Possible topics covered (depending on group interest):

- Fire hardening a structure
- Defensible space
- Plants for pollinators and wildlife
- Bird and Insect habitat
- Low maintenance water wise landscapes
- Vegetation thinning
- Invasive plant removal
- Using fire as a tool safely
- Tools of the trade with **women in mind**
- Resources and grants

For Registration and Information, please contact:

Nina Allen ninaallenlac@sbcglobal.net (530) 263-4697

I will email you a brief questionnaire including schedule and location.

Private consultation available for \$60/hr donation split between the Nisenan Rancheria and the Bear Yuba Land Trust.
