**FRIENDS OF LONG KEY
PRESIDENT'S LETTER FOR CALENDAR YEAR 2020**

To all Friends of Long Key,

I am pleased to provide the 2020 Annual Summary of the Friends of Long Key (FOLK). FOLK is comprised of a group of dedicated volunteers who selflessly devote their time, talent and energy to support the Long Key Nature Center and Natural Area.

In 2020, FOLK's ability to further their mission to support the park was hampered by the global COVID-19 pandemic, but the group continued to support the park in any way possible.

Despite our inability to run our normal fundraising events, we remain financially stable and prepared to continue our fiscal support for the local needs of the park and Nature Center. We ended the year with \$13,460 on hand, more than we started the year with. In 2021, we will continue to work with Kelli and support the Park's wish list.

2021 presents us with new opportunities. For personal and professional reasons, I have decided to step down as President and from the Board but will continue to support Kelli and FOLK as a member. A big "thank you" to our strong and capable Board, our Members and the staff of Long Key and Broward County Parks for making the Friends of Long Key one of the county's most successful Friends Groups!.

Sincerely,

John Haeflinger
President, Friends of Long Key, Inc.
