

BRT TESTIMONIALS

The BRT night guard is fantastic! I wear it to eliminate my joint and muscle pain. The greatest feature is the ramp. It keeps me out of traumatic occlusion at night and pain free! —Jeff G.,DDS

The BRT night guard has decreased my facial tension and headaches. I don't even know I'm wearing it. — Michelle

I like the ramp addition. I cracked a crown without it and now my back teeth don't have a chance to touch at night. —Brian

I was getting regular headaches/migraines and a sore jaw. I was attributing the headaches to other lifestyle factors, but it wasn't until wearing the BRT night guard that the headaches stopped.
- Kristin

I'm loving it! Truly loving it! It feels natural in my mouth. I was actually thinking that if the house was on fire, I would grab my night guard, iPhone, purse and wake my husband, in that order. The BRT gets a 6 out of 5 stars from me. — June B

The BRT improved my sleep and I can't sleep without it. —Jordon

The BRT protects my teeth and improved my snoring. — Barbara

I wear the BRT for my muscle tension and clenching. — Cheryl

I would highly recommend the Bryan Ramp. It's comfortable and protects my teeth. —Carol

I wear the BRT for vertigo & in 2 1/2 weeks, its improved. —Evelyn

I wake up more comfortable, no jaw tension, improved headaches.
- Bethann

I'm finally able to get some sleep. It improved quickly. —Shelia
