

Norman E Bryan DDS

Dr. Norman E. Bryan received an AB & DDS degree from Indiana University, practiced dentistry emphasizing TMJ & Sleep disorders, for 47 years in Elkhart IN. As a member of the ADA, IDA, AACCP, & AADSM, Dr Bryan has over 1400 hours of continuing education in cranial facial pain & TMJ. After 10 years of clinical trials, the Bryan Ramp Therapeutic night guard was patented, and now over 3,000 patients have enjoyed the benefits of this revolutionary breakthrough in the treatment and prevention of night time grinding and clenching.

Following retirement, Norm and his wife Linda cruised the East coast for 4 years aboard their sloop Lizzie. They now live in Naples Florida where he continues to consult and mentor dental clinicians.
