

Secure Online Payments

Our office now offers a secure, online payment option! Pay your medical bills at your own convenience - at any time from any location!

How do I pay?

- 01** When our office requests a payment from you, you will receive a notification through your preferred contact method on file - either a text message or email.
 - Emails will be sent from the contact 'Payment Notification <sysadmin@elationemr.com>'
 - Text messages will be sent from 36331 (to opt-in to text message notifications, text "START" to 36331)
- 02** Click on the link within the text message or the 'Pay' button in the email to be directed to a secure page to enter your payment information.
- 03** Once payment has been received, a receipt will automatically be sent to that same contact method on file.
