

Twangin' city-style

It's not exactly what you'd call true down-home country music, but the "Urban Cowboy" soundtrack may do for country music and 10-gallon hats what "Saturday Night Fever" did for disco and white, three-piece suits. Page 20.

From top to bottom, the directors of Education Art Research, Incorporated (EAR, Inc.) William E. Olson, William E. Tecku and John D. Harris.

The Inner Ear Series premieres tonight with the previously unpublished poetry of Carl Sandburg.

LOCAL RADIO PROGRAM GOES NATIONAL
