

PASSION

...the active and vibrant expression of individual giftings and talents that invigorates an unreserved extension of the heart and hand.

PURPOSE

...allows us to respond to the call over our lives and is the driving force behind what we've been prepared in advance to do.

POTENTIAL

...the untapped, God-given power in us to multiply all that we have been entrusted with. It is the residing capacity that propels us beyond horizontal boundaries and is released by the limitless nature of God.
