BIOGRAPHY

My name is Mashawi. I'm a Singer, Songwriter, and Performing Artist From Toronto, ON. My musical sound is unique and you can see a blend of Pop, Hip-hop, RnB and Alternative. I like to mix, blend, and play with the different genre styles and make it my own. I have a strong background in music and fashion coming from a family of musicians and being a former Celebrity Stylist. I would like to use my Degree in International Relations and my Diploma in Liberal Arts along with my music and fashion background to inspire the world and to make a forever lasting positive impact.
