Tour Questions

Typically, we ask our clients a few questions during a tour to get to know their dog a little better, but while we are doing virtual tours because of the pandemic, we ask that you fill out this short questionnaire as part of your application. We appreciate your cooperation and look forward to meeting you and your dog!

Where is your dog from - a rescue, breeder, other arrangement?

If your dog had a previous home, what do you know of their history? Were they surrendered by another family, found on the street, etc.?

How old was your dog when they came to live with you?

How long have you had your dog?

Does your dog coexist peacefully with another dog in the home? Did they live with other dogs in any previous homes/living situations?
