

February 25, 2026

Ya'at'eeh and Greetings!

The Division of Natural Resources (DNR) is excited to announce its “**DNR EXPO 2026**”, scheduled for April 28-29, 2026, at Twin Arrows Navajo Casino Resort, Flagstaff, Arizona. This year’s theme is “**Preservation of the Natural Resources through Innovation,**” which reflects our continued commitment to educate our local community leadership with project development tools and environmental clearance requirements to enhance their community land use plans for economic, commercial, residential, and range management development within their respective communities.

The “**DNR EXPO 2026**” is designed to provide first-hand information for local governance officials and community members on Right-of-Way clearances, Services Line Agreement (SLA), Tribal Access Authorization (TAAs), Environmental clearances for Cultural Resources and Biological Compliance approval, including the direct services from all DNR departments for long-term prosperity across the communities on the Navajo Nation.

On behalf of DNR, I invite your company to be a part of the “**DNR EXPO 2026**” event as a sponsor. Your valued sponsorship provides an excellent opportunity for your company to gain visibility and demonstrate your commitment and partnership to the cause of natural resources improvement and infrastructure development.

As a valued sponsor, your organization will receive partnership recognition throughout the event, including logo placement on event materials and through the DNR EXPO website and acknowledgment of your company’s contribution during conference sessions. DNR will designate a booth for your company to showcase their initiatives, commitment to natural resources development, and disseminate information.

Attached are the Sponsorship levels. We sincerely appreciate your consideration and look forward to your partnership with the Navajo Nation Division of Natural Resources. Ahehee’.

Best Regards,

A handwritten signature in black ink, appearing to read "W. Mike Halona".

W. Mike Halona, Executive Division Director  
Division of Natural Resources
