ABOUT

Samo Zaen was born on 10th of November in Kuwait, He is Scorpio, He is from a Syrian family and from time to time he was visiting them in Syria and other European Countries till he finished his Secondary school. After graduation, he traveled to London to study sound engineering.

He worked as a sound engineer in London for several years but eventually returned to Kuwait and started his own business in audio equipments under the name "Twitter for Audio Equipments". After his quick fame in the world of sound engineering, all distinguished Arab singers dealt with him.

After his great success, he decided to open another branch in London but chance played the greatest role in Samo's entry to the world of art and fame.
