

33 & Melt Fundraiser Information and Application

We appreciate you thinking of 33 & Melt as you embark on finding the perfect spot for your fundraiser.

The program we have in place is very simple, and has shown to be very successful for those organizations that have participated. Once we have approved the organization and their fundraising request, there are just a few things for the group to know.

To participate, we ask that your organization follow these steps.

- Pick a day/date (Sunday-Wednesday) that works best for you
- Submit your logo, and we will design and send you a flyer to use for the event

On the day of your choice, your supporters would dine in at our Windermere location. They will need to present a copy of the flyer to their server. Flyers can be presented either digitally or with a physical flyer. 33 & Melt will then donate 15% of the bill associated with that check to your organization.

Your organization has the ability to raise a very sizable amount of money depending on the number of your supporters you can motivate to dine with us on your chosen day. Please fill out the corresponding page for your fundraising participation. We do receive many requests for fundraising days, so please allow as much advanced notice as possible to get your flyer approved, and secure your date.

The Fine Print

1. Purchase of in-house merchandise (if available), dine-in food, carry out food, and alcohol ALL apply towards the fundraiser.
2. Fundraisers last from opening until closing of that location.
3. **EACH** guest check must present a flier for the subtotal to apply towards the fundraiser.
4. Fliers for fundraising events must be designed by 33 & Melt and printed/distributed by the group holding the fundraiser.
5. Flier distribution inside of the restaurant or in the parking lot is prohibited.
6. The 15% will apply to the check subtotal, before tax and gratuity. Groups of 8 or more will have a 20% auto-gratuity applied. All checks will to be made out to the organization being sponsored.

To inquire about availability of a reservation, or for additional information, please contact Carrie at 33andMelt@gmail.com
