BobCat Gallery

Affordable art for all

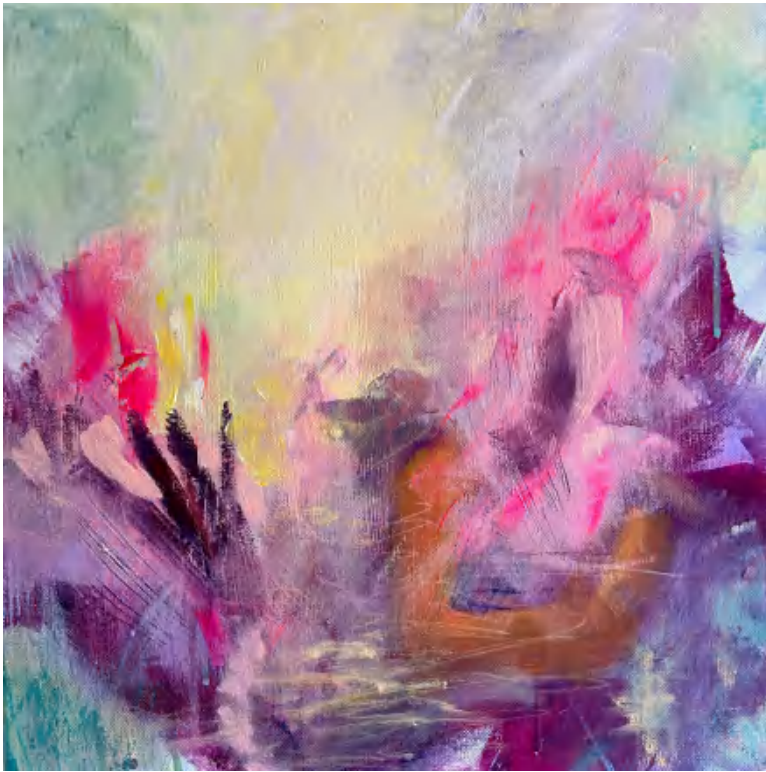

BobCat Gallery will host a new exhibition of affordable, original artworks at Putney Exchange Shopping Centre between 7th - 30th January 2025, hoping to bring a ray of light to the darkest time of the year.

'Light in the Dark' will share work from more than 50 international artists, featuring bright, bold and beautiful art to help banish any January blues. Participating artists have also been invited to demonstrate their techniques in the gallery space throughout the month, including painting, needlepoint tapestry and more.

Catherine Sweet, Founder of BobCat Gallery, says: "I'm very much looking forward to sharing this uplifting and inspiring collection - there are an incredible variety of techniques and subject matters included from some very talented creators. I hope that this show will provide a needed boost of serotonin while we wait for the days to get longer again!"
