DRESS CODE GUIDELINES

Victory Christian Academy believes that appropriate attire encourages good student conduct and is fundamental to the development of wholesome attitudes and behavior. Students are expected to wear clothing that is neat and clean. The dress standards that follow are intended to express Biblical standards and principles of modesty in dress. Parents are responsible to see that their children are dressed properly as listed below before they arrive at school. Students who arrive to school that are not in Dress Code will be expected to have the proper clothing promptly brought to them or return home for the remainder of the day and will receive a demerit and unexcused absence. Students in Junior High or above who are not in dress code will receive a demerit. The Dress Code at VCA is to be observed each school day during the school year. It is also to be observed while attending any school program, performance, activity, and field trip whether on or off campus, unless the school has informed parents otherwise.
